

## Instructions for taxi transportation from the Airport „Nikola Tesla“ (BEG)

When you land at the airport you will be directed to passport control and the arrivals level. On the arrivals level, you should find a counter for taking a voucher with a fixed price for taxi transportation (picture below). When you collect the voucher, you will be asked for the location to which you need transportation, in order to calculate the fixed price of taxi transportation.

Inside the Airport

Outside the Airport

Once you get the voucher, you can go to the station (picture below) and take a taxi.
